## **Printer Rush Instructions**

1. In e-Dan look for "RUSH" document with a date that corresponds to the date on above.
2. Review the comments on the Printer Rush document.
3. Prepare necessary documentation that will resolve the Printer Rush, i.e., Index of Claims, Examiner's Amendment, Initial 1449, etc.
4. Print the RUSH document, write your response and initial in the Response box.
5. If a document requires mailing to applicant, include the RUSH document in a Red Action Folder with the outgoing documents to be counted, mailed and scanned. If no document needs to be mailed to the applicant, attach an orange routing sheet to the RUSH document with other pertinent documents and send to scanning - the doc code should be indicated as "XRUSH" on the orange routing sheet.
